

3R Chuck Series

Code: LP-3R-3042

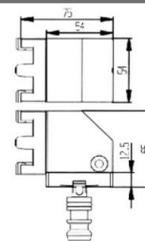

3R Precision Chuck

Item	Detail
Specification	70x70x30mm
Main Material	High-quality Stainless Steel 40-44HRC
Application	For Clamping Products
Net Weight	0.7kg

Code: LP-3R-3043

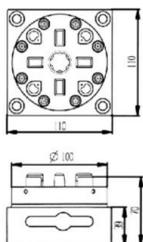

3R Bent Head Conversion Use

Item	Detail
Specification	70x65x54mm
Main Material	High-quality Stainless Steel 40-44HRC
Application	For Bent Head Conversion
Net Weight	1.6kg

Code: LP-3R-3044

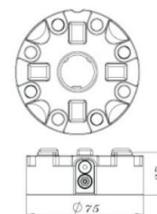

3R Multi-purpose Pneumatic Chuck

Item	Detail
Specification	110x110x70mm
Main Material	High-quality Stainless Steel 57-60HRC
Application	Universal Digital Display Machine Tool
Net Weight	4kg

Code: LP-3R-3045

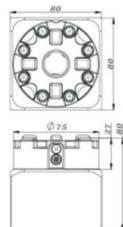

3R D75 Manual Single-head Chuck (Screw Locking)

Item	Detail
Specification	φ75x27mm
Main Material	Imported High-quality Stainless Steel 57-60HRC
Locking Force	6000 Newtons
Application	Universal Digital Display Machine Tool
Net Weight	0.66kg

Code: LP-3R-3046

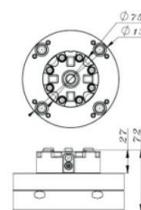

3R D75CNC Manual Single-head Chuck (Screw Locking)

Item	Detail
Specification	φ80x80x80mm
Main Material	Imported High-quality Stainless Steel 57-60HRC
Locking Force	6000 Newtons
Application	Universal Digital Display Machine Tool
Net Weight	3.15kg

Code: LP-3R-3047

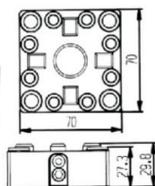

3R D75 Manual Single-head Chuck (Screw Locking)

Item	Detail
Specification	φ130x27mm
Main Material	Imported High-quality Stainless Steel 57-60HRC
Locking Force	6000 Newtons
Application	EDM Machine Tool
Net Weight	4.1kg

Code: LP-3R-3048

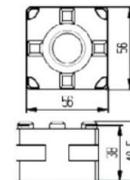

3R 70 Square Type Manual Single-head Chuck (Screw Locking)

Item	Detail
Specification	70x70x27mm
Main Material	Imported High-quality Stainless Steel 57-60HRC
Locking Force	6000 Newtons
Application	Universal Digital Display Machine Tool
Net Weight	0.78kg

Code: LP-3R-3049

3R 56x56 Single-head Manual Chuck (Handle Locking)

Item	Detail
Specification	56x56x37.5mm
Main Material	Imported High-quality Stainless Steel 57-60HRC
Locking Force	4000 Newtons
Application	Universal Digital Display Machine Tool
Net Weight	0.7kg

3R Manual/Pneumatic Chuck Series

Code: LP-3R-3050

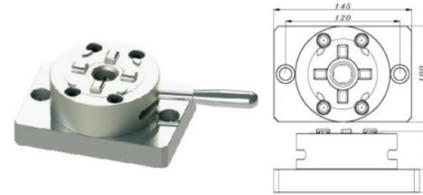

3R D100 Single-head Manual Chuck (Handle Locking)

Item	Detail
Specification	D100x49.5mm
Main Material	Imported High-quality Stainless Steel 57-60HRC
Locking Force	10000 Newtons
Application	Universal Digital Display Machine Tool
Net Weight	1.8kg

Code: LP-3R-3051

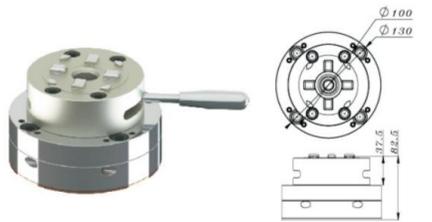

3R D100 CNC Single-head Manual Chuck (Handle Locking)

Item	Detail
Specification	145x100x60.5mm
Main Material	Imported High-quality Stainless Steel 57-60HRC
Locking Force	10000 Newtons
Application	Universal Digital Display Machine Tool
Net Weight	4.5kg

Code: LP-3R-3052

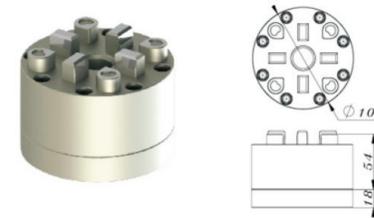

3R D100 EDM Manual Chuck (Handle Locking)

Item	Detail
Specification	D130x82.5mm
Main Material	Imported High-quality Stainless Steel 57-60HRC
Locking Force	10000 Newtons
Application	EDM Machine Tool
Net Weight	6kg

Code: LP-3R-3053

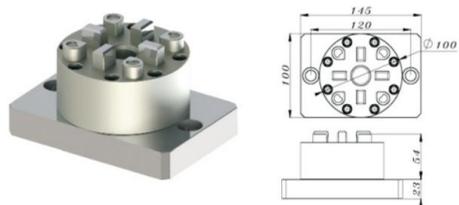

3R D100 Single-Head Pneumatic Chuck

Item	Detail
Specification	D100x72mm
Main Material	Imported High-Quality Stainless Steel 57-60HRC
Working Pressure	6 kg
Locking Force	10000 Newtons
Application	Universal Digital Display Machine Tool
Net Weight	0.66kg

Code: LP-3R-3054

3R D100 CNC Pneumatic Chuck

Item	Detail
Specification	145x100x77mm
Main Material	Imported High-Quality Stainless Steel 57-60HRC
Locking Force	10000 Newtons
Application	Universal Digital Display Machine Tool
Net Weight	4.8kg

Code: LP-3R-3055

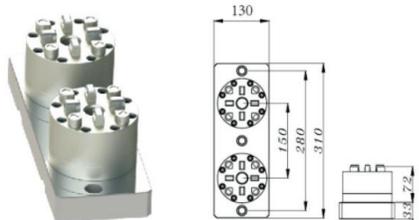

3R D100 EDM Pneumatic Chuck

Item	Detail
Specification	D130x99mm
Main Material	Imported High-Quality Stainless Steel 57-60HRC
Working Pressure	6 kg
Locking Force	6000 Newtons
Application	EDM Machine Tool
Net Weight	6.9kg

Code: LP-3R-3056

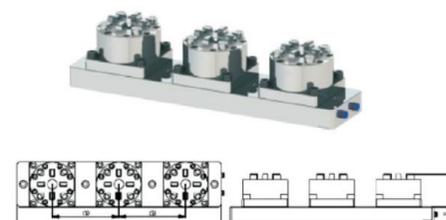

3R D100 Dual-Head CNC Pneumatic Chuck

Item	Detail
Specification	300x102x110mm
Main Material	Imported High-Quality Stainless Steel 57-60HRC
Working Pressure	6 kg
Locking Force	10000 Newtons
Air Valve Control	1 controls 2 (i.e., 1 switch controls 2 chucks)
Application	CNC Machine Tool
Net Weight	15.2kg

Code: LP-3R-3057

3R D100 Three-Head CNC Pneumatic Chuck

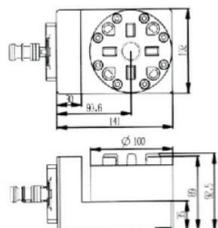

Item	Detail
Specification	460x102x110mm
Main Material	Imported High-Quality Stainless Steel 57-60HRC
Working Pressure	6 kg
Locking Force	10000 Newtons
Air Valve Control	1 controls 3 (i.e., 1 switch controls 3 chucks)
Application	CNC Machine Tool
Net Weight	23kg

3R Chuck Series

Code: LP-3R-3064

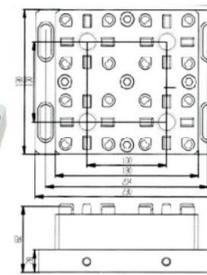

3R D100 EDM Swivel Chuck

Item	Detail
Specification	141x102x92mm
Main Material	Imported High-Quality Stainless Steel 57-60HRC
Working Pressure	6 kg
Locking Force	10000 Newtons
Application	For EDM Bent Head
Net Weight	7.88kg

Code: LP-3R-3065

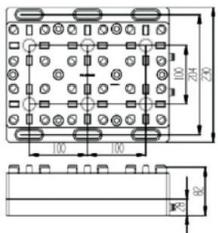

3R Four-Head Small Pneumatic Chuck

Item	Detail
Specification	230x180x85.5mm
Main Material	Imported High-Quality Stainless Steel 57-60HRC
Working Pressure	6 kg
Locking Force	10000 Newtons
Air Valve Control	1 controls 4 (i.e., 1 switch controls 4 chucks)
Application	CNC Machine Tool
Net Weight	18kg

Code: LP-3R-3066

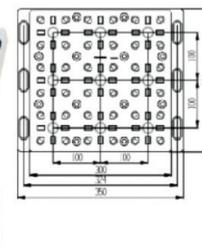

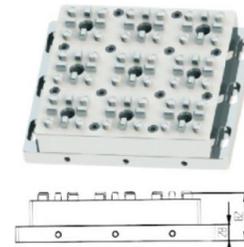

3R Six-Head Small Pneumatic Chuck

Item	Detail
Specification	280x230x85.5mm
Main Material	Imported High-Quality Stainless Steel 57-60HRC
Working Pressure	6 kg
Locking Force	10000 Newtons
Air Valve Control	2 controls 6 (i.e., 2 switches control 6 chucks)
Application	CNC Machine Tool
Net Weight	28kg

Code: LP-3R-3067

3R Nine-Head Small Pneumatic Chuck

Item	Detail
Specification	350x300x85.5mm
Main Material	Imported High-Quality Stainless Steel 57-60HRC
Working Pressure	6 kg
Locking Force	6000 Newtons
Air Valve Control	3 controls 9 (i.e., 3 switches control 9 chucks)
Application	CNC Machine Tool
Net Weight	49kg
